Scottish Universities Physics Alliance Graduate School

Meeting Support Form

The Scottish Universities Physics Alliance (SUPA) Graduate School has instigated a Meeting Support Programme whose purpose is twofold; to enhance the training of physics graduate students within SUPA and to enhance the dissemination of research to and from SUPA. Detailed information about SUPA, the Graduate School and the SUPA research themes can be found on the SUPA website (<http://www.supa.ac.uk>). The scheme can contribute to appropriate Postgraduate Schools, Workshops, and Technical Meetings held in Scotland and organised by members of the SUPA Graduate School.

The proposed event will be expected to provide specific benefits for the training of graduate students. Meetings or workshops with a primary aim of graduate student training will be targeted for support. Likewise, technical meetings that provide graduate student level introductions, or that are making other special provisions to encourage graduate student attendance and participation will be considered.

Applications should be submitted to the Director of the Graduate School (funding@supa.ac.uk). The attached application form should be completed by the proposer(s), who should be researchers associated with SUPA. A Case for Support, including details of the planned meeting and a breakdown of the funding sought, should be submitted together with the application form. This case should not exceed 1000 words or two A4 pages, whichever is the shorter.

Meeting Support Application Form

PROPOSED MEETING	
Meeting Name	
Approximate Meeting Size and number of research students	
Institutions and/or organisations involved in running the meeting	
Location of Meeting	
Dates	
Point of Contact Name	
POC Address (include telephone and e-mail)	
Benefit to SUPA Graduate School:	
Benefit to SUPA Research:	
Other Benefits:	
FUNDING REQUEST (Detailed breakdown in Case for Support)	
Amount requested	
Briefly describe what the requested funds will be used for.
